---

## **PUBLIC WORKS REPORT** March 2025

Mark Remington, Superintendent  
Gene Cavanaugh  
Mike Diez

### **Streets:**

- Plowed and salted streets, village hall and garage parking lots, and East Avenue property – shoveled and salted sidewalks around village hall
- Went around village unclogging storm drains from debris – high water from melting snow and rain
- Had Town Water and Sewer Department try their water jet machine on storm drain in front of the Commons (1889 Quaker Road) – couldn't unclog storm drain
- Started cleaning up sod along edges of streets from plowing
- County Highway Department repaired drain in front of 1880 Quaker Road (clay tile caved in)

### **Water:**

- Read water meters for the quarter
- Dig requests at 1707 East Avenue and 1880 Quaker Road – located and marked water

### **Equipment:**

- Took plow off dump truck
- Took snowblower, bracket, doors, and cab off B2601 tractor – stored away in metal building
- Washed both trucks and tractors – rinsed out salter
- 2015 pickup truck went to auction – was sold for minimum bid and picked up by seller

### **Parks:**

- Emptied garbage cans in both parks
- Picked up branches in both parks
- Showed electrician electrical work that needed to be done in village park and signal light

### **Other:**

- Budget meeting
- Wrote monthly reports
- Let plumber in at village hall – sewer backed up – plumber's snake wasn't long enough to clear drain – Town Water and Sewer Department used water jet to get sewer working again
- Had salt delivered - loaded into lean to with loader
